

We appreciate your opinion

At Atlas Copco Rental, we value our relationship with you and appreciate the opportunity to do business with you. In order to improve our products and services, we welcome your feedback.

In the next month you may receive an email containing a short online survey regarding your recent rental experience with us.

We would appreciate it if you could take the time to complete the survey. This will help us learn if there is anything we can improve in order to serve you better in the future.

**In case you don't receive a survey or you would like to give your feedback directly please contact us at:
