## Atlas Copco Tools Belgium is moving

Dear valued business partner,

we are happy to announce the move to our new premises.  
As from 1<sup>st</sup> December 2023, we will relocate from Industrielaan 44 in 3730 Hoeselt,  
**to our new address:**

### Atlas Copco Tools Belgium, Bremakker 45, 3740 Bilzen

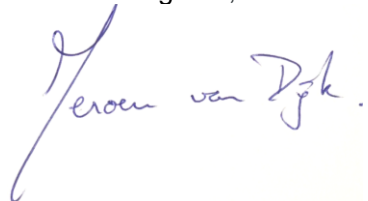

The move is driven by our continued growth, not least due to our successful collaboration with you, and our modern facilities in Bilzen will bring numerous benefits:

- Plenty of space to meet your needs and continue to provide our services in the best possible way.
- A strategically located, future-proof site closer to the motorway for improved accessibility.
- A new welcoming meeting area designed for comfortable personal interactions and discussions.
- Ample room for future expansions.

Please update your records with our new delivery and visitors' address.  
**All other contact details, including VAT BE0473470658, telephone 0800 77 503 and our email [tools.be@be.atlascopco.com](mailto:tools.be@be.atlascopco.com), remain unchanged.**

We look forward to continuing our excellent partnership with you at our new premises.  
Should you have any questions or need further information, please reach out to us.

With kind regards,

*Jeroen van Dijk*  
Country Manager Belgium and Netherlands
