

Get more from your compressor with the 8 Plan

More uptime | More value for money |
More peace of mind

Atlas Copco

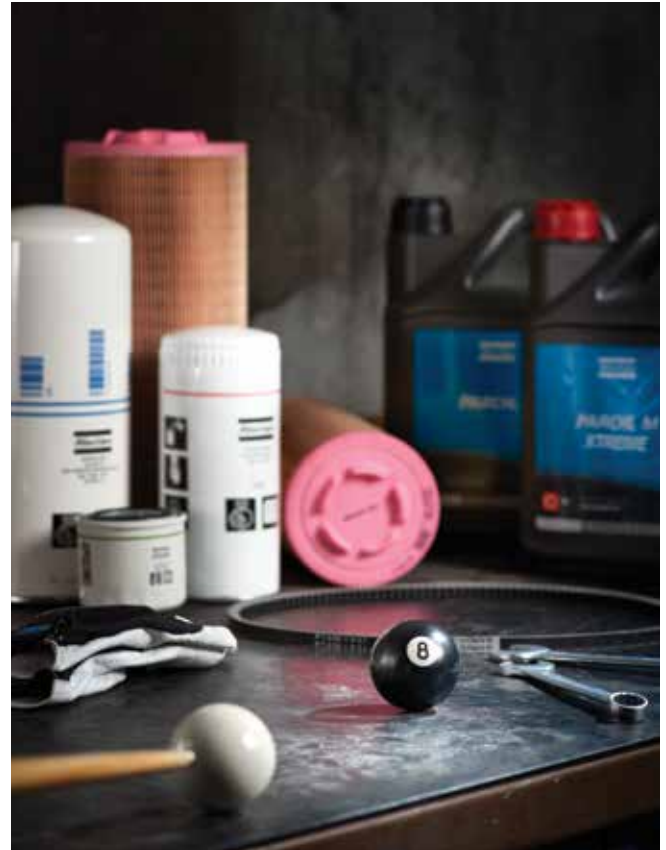

8 Plan, your winning shot!

Get the most out of your 8 Series compressor by simplifying your maintenance and service whilst saving money with the 8 Plan.

For less than £1/day, the 8 Plan gives you:

- significant savings on parts and consumables
- free delivery of parts and consumables kits, saving you another 3%
- kits sent automatically when the service is due
- increased uptime with just two services, taking less than an hour, each year
- free extended warranty

Improved uptime lower costs

Increased productivity and lower service costs
