

Competition Rules for Atlas Copco's #aircheck referrals

By entering the competition, entrants agree to the rules detailed below.

1. The competition is open to everyone who has recommended another UK-based company for an #aircheck inspection and the referral has been successful. "Successful referral" means that the referee allows a representative of Atlas Copco or its authorised distributor on site to conduct an #airCHECK inspection.
2. Participants can refer companies by emailing recommend.afriend@uk.atlascopco.com or calling 0800 181 085.
3. It is also possible to be entered into the same prize draw by correctly answering the #airCHECK Quiz questions on our social media channels.
4. The competition runs until 1st September 2017 at 9am.
5. The prize draw will take place on 1st of September 2017 and the winner will be contacted by an Atlas Copco representative.
6. The prize for the winner is an iPad Pro.
7. The winner will be contacted on the details provided by them at the time of the reference.
8. If the winner's contact details are missing, incorrect or if we are unable to reach the winner within 2 weeks from the prize draw, we reserve the right to repeat the prize draw and select another winner.
9. Atlas Copco Ltd accepts no liability for any incomplete, inadmissible or indecipherable entries and all such entries shall be disqualified.
10. Participants can enter the competition as many times as the number of successfully referred companies.
11. To participate in the competition, each participant must:
12. Be aged 18 or over
13. Not be employed by Atlas Copco Ltd or Atlas Copco Group, or by any of its distributors, resellers and/or agents.
14. Atlas Copco Ltd will arrange purchase and delivery of the prize to the winning entrant.
15. No substitution, cash redemption or assignment of the prize is permitted.
16. Atlas Copco Ltd and the Atlas Copco Group do not accept any liability for the iPad Pro after it has been delivered to the winner.
17. We reserve the right to remove anybody from the competition if they are behaving in a disruptive manner.
